

## “Red Cross Disaster and Emergency Preparedness Apps”

### Red Cross First Aid App

- Simple step-by-step instructions guide you through everyday first aid scenarios.
- Fully integrated with 911 so you can call EMS from the app at any time.
- Videos and animations make learning first aid fun and easy.
- Safety tips for everything, from severe winter weather to hurricanes, earthquakes and tornadoes to help you prepare for emergencies.
- Preloaded content means you have instant access to all safety information anytime, even without reception or an Internet connection.
- Interactive quizzes allow you to earn badges that you can share with your friends and show off your lifesaving knowledge.

### Suite Spotlights

**Hurricane App** – Real-time hurricane and shelter info

**Wildfire App** – Get the latest news about wildfire threats in your area

**Tornado App** – Turn your phone into a portable tornado warning device

**Earthquake App** – Get helpful earthquake safety tips and quickly let your family and friends know that you’re okay

**Shelter Finder App** – Up-to-date shelter information with an easy to use interface

**Team Red Cross App** – Find out about post-disaster Red Cross volunteer needs in your community

**Pet First Aid App** – Get the lowdown on feline and canine first aid with helpful videos and step-by-step walkthroughs

**Swim App** – Brush up on your water safety knowledge and track your child’s progress as they learn to swim
